Manufacturer

GERMAN ELECTRON Testlab A.G.
 Tulla-Mannheimer Organische Chemie GmbH (Hochschule)
 69121-28-41 P.O. Box 40000
 Tulla-Strasse
 Tulla-Strasse

Test object

Radio Tracking System

Type designation

100 (CONNECT) 100-A100-C

Order of test

05.07.2012

Date of receipt

05.07.2012

Test specifications

IEC 60068-2-27:2003 + A1 (2008)
 IEC 60068-2-28:2003 + A1 (2008)
 IEC 60068-2-29:2003 + A1 (2008)

Test results

The tested Radio Tracking System meets the requirements of the relevant standards.
 Test under test conditions -- circuit integrity -- PASSING

The Record of Proving Test consists of:

3 copies LTVAG test report form

1 certificate

1 other page

1 drawing

1 diagram

1 photograph

Date of issue

04.08.2012
