Test object

Busbar Training System

Type designation

100 COMPACT 100-A100-C

Order of test

26.07.2012

Date of report

26.08.2012

Test specifications

IEC 60439-1:2005 + A1 (2006)

IEC 60439-2:2005 + A1 (2006)

Test results

The tested busbar training system met the requirements of the relevant standards.

2.2.7 verification of degree of protection: IP40 (2012)

The Record of Proving Test consists of:

8 pages LOVAG test report form

1 certificate

1 other pages

1 drawing

1 diagram

2 photographs

Date of issue

26.08.2012
